Key Word of the Week

MADCHESTER

Madchester was a music and cultural scene that developed in the Manchester area in the late 1980s, in which artists merged alternative rock with acid house culture and other sources, including psychedelia and 1960s pop. The label was used by the British music press in the early 1990s, and included groups such as Happy Mondays, The Stone Roses, Inspiral Carpets, Northside, 808 State and James.
