Music of the Week

‘Keep on Movin’ by Five
To celebrate the reunion of Five
(including Jay!!!) this week’s
music of the week comes from
them. Enjoy 😊

Did you know?

Five (the band) said ‘NO’ to 2
different songs which went
on to be huge hits for the
artists who recorded them.
They turned down the
chance to record both ‘Hit
Me Baby One More Time’,
which became Britney
Spears’ debut single, and
‘Bye Bye Bye’ which became
a massive hit for NSYNC!
